The Italian Villa was the venue in which we decided to host our annual in-house Koh Thai Tapas Awards Ceremony 2014. It was the ideal location for such a momentous occasion. It provided the perfect setting for our glamorous, showcase event and the team were fantastic in every aspect. The food was incredible and service impeccable – we couldn't have hoped for more!

THE GARDENS

The renowned Italian Gardens make outdoor events for up to 350 guests something quite special.

Whether hosting a team-building event or a corporate party, this expansive space is inimitable with its incredibly beautiful symmetry, its central ornamental lake with carved stone fountains, water lilies and koi carp and impressively famous bronze statues of the “Wrestlers of Herculaneum”.

With direct access to the Medici and Siena suites, the gardens add a truly unique and private setting for your company party or special occasion. Offering a south-west aspect, the gardens ensure you make the most of the sunshine all year round.

Our annual Company BBQ for 250 people went extremely well this year and more importantly the number of children attending was the best ever so lots of smiles all round there!

*The giant New Forest Eton Mess was a huge discussion point – totally gorgeous!
Many thanks to you and your team.*

PERENCO
